Brief Description of the book:

My Secret Life as Peanut, written by Todd Friedman and Megan Andrews, is an artful blend of entertaining stories, vibrant photos and educational content.

The book, complete with plenty of color photos and fascinating facts about cats, is a fun read for animal lovers of all ages. It is written as a chapter book perfect for the young reader, ages five to nine. It is also a wonderful book for parents, grandparents, aunts, uncles and teachers to share with young children.

Based on a true story, *My Secret Life as Peanut* features a delightful cat who shares memorable and humorous stories about her secret life at the house next door. The book, a captivating, entertaining and touching animal tale told from the cat's perspective, offers positive messages with rich content.

Ideal for all ages, the book is educational and supports animal welfare charity organizations.
